WHO WE ARE

About The Company

Guangdong Shuncheng Ceramics Group (referred to as SC Tile) was founded in 1998 in Foshan, Guangdong. It is one of the large-scale ceramics groups in China. It is a large modern ceramics group integrating tile design, research, and development, production, display, sales, and service. At present, it owns eight ceramic brands of Shunhui, King, Baite, Meitao, Juncheng, Scenic, BTP, and Sintered stone man. It has 9,000 brand specialty stores, more than 20,000 sales outlets at home and abroad.

SC Tile has three ceramic tile production bases, which cover a total area of 2.6 square kilometers and includes 40 large professional production lines. SC Tile's annual production capacity over 120 million square meters could suit your need no matter the large-scale real estate project and home designs project. Nowadays, SCG has become one of the popular ceramic groups in China.
